

Epistle for St. Anne

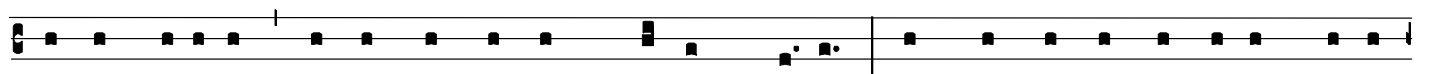

L 
 Ecti-o libri Sapi-énti-æ.

M 
 U-lí-erem fortem quis invéni-et? Procul, et de últimis fínibus pré-

 ti-um e-jus. Confídit in e-a cor vi-ri su-i, et spó-li-is non indigé-bit. Red-

 det e-i bonum, et non malum, ómnibus di-ébus vitæ su-æ. Quæsívit lanam

 et linum, et operáta est consí-li-o mánu-um su-á-rum. Facta est quasi na-

 vis institóris, de longe portans panem su-um. Et de nocte surréxit, dedít-

 que prædam domésticis su-is, et cibári-a ancíllis su-is. Considerávit agrum,

 et emit e-um: de fructu mánu-um su-á-rum plantávit víne-am. Accínxit

 fortitú-dine lumbos su-os, et roborávit brácchi-um su-um. Gustávit, et

vidit qui-a bona est negoti-á-ti-o ejus: non exstinguétur in nocte lucérna

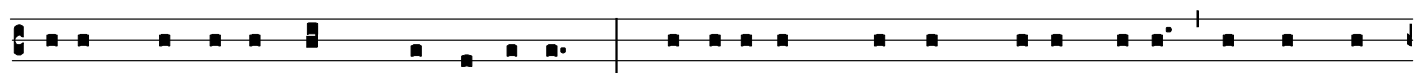

e-jus. Manum su-am mi-sit ad fórti-a, et dígi-ti ejus apprehendérunt

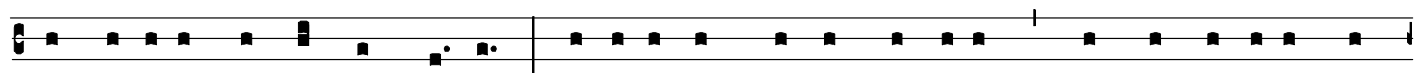

fusum. Manum su-am apéru-it ínopi, et palmas su-as exténdit ad páupe-

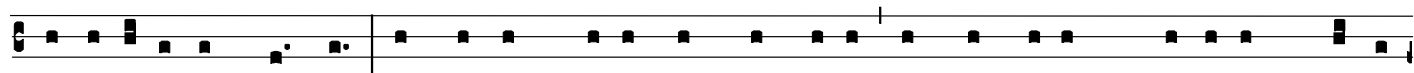

rem. Non timébit dómu-i su-æ a frigóribus nivis: omnes enim domésti-ci

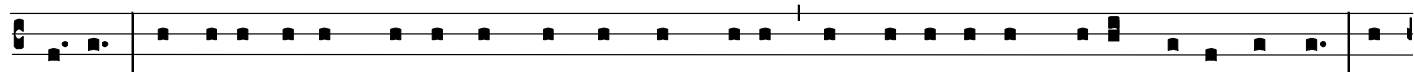

ejus vestí-ti sunt duplí-cibus. Stragulátam vestem fecit sibi: byssus, et

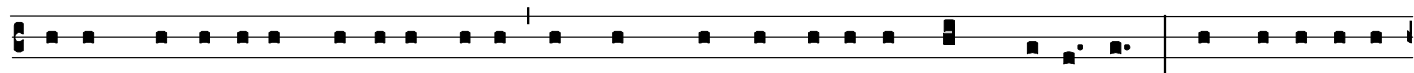

púrpura induméntum e-jus. Nóbi-lis in portis vir ejus, quando séderit cum

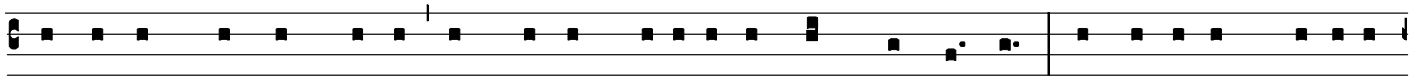

senatóribus terræ. Síndonem fecit, et véndidit, et cíngulum trádedit Chana-

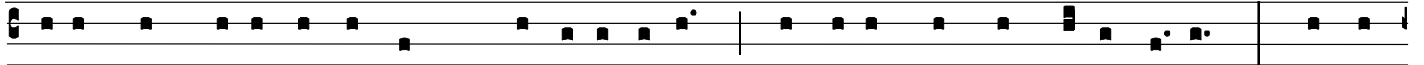

næ-o. Fortitúdo et decor induméntum ejus, et ridébit in di-e novíssimo. Os

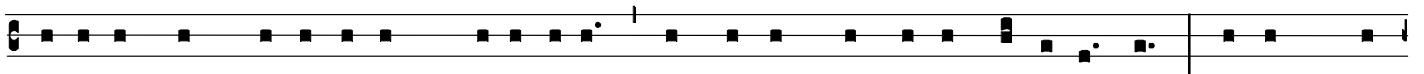

su-um apéru-it sapi-énti-æ, et lex cleménti-æ in lingua e-jus. Considerávit

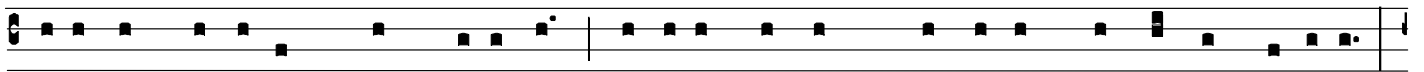

sémi-tas domus su-æ, et panem oti-ósa non comé-dit. Surrexérunt fí-li-i

ejus, et be-a-tíssimam prædicavérunt: vir ejus, et laudávit e-am. Multæ

fí-li-æ congregavérunt diví-ti-as: tu supergréssa es univérsas. Fallax grá-

ti-a, et vana est pulchritúdo: mú-li-er timens Dóminum, ipsa laudábitur.

Date e-i de fructu mánu-um su-árum: et laudent e-am in portis ópera ejus.
