

Lesson I for the Easter Vigil

Tonus Prophétiae

I -n princípi-o cre-ávit De-us cælum, et terram. Terra autem erat iná-
 nis, et vácu-a, et ténebræ erant super fáci-em abýssi: et Spí-ritus De-i
 ferebátur super aquas. Dixítque De-us: « Fi-at lux ». Et facta est lux. Et
 vidit De-us lucem quod esset bona: et diví-sit lucem a ténebris. Appella-
 vítque lucem Di-em, et ténebras Noctem: factúmque est véspere, et mane,
 di-es unus. Dixit quoque De-us: « Fi-at firmaméntum in médi-o aquárum:
 et dívidat aquas ab aquis ». Et fecit De-us firmaméntum, divi-sítque a-
 quas, quæ erant sub firmaménto, ab his, quæ erant super firmaméntum.
 Et factum est i-ta. Vocavítque De-us firmaméntum Cælum: et factum est

vésperē, et mane, di-es secúndus. Dixit vero De-us: « Congregéntur aquæ,

quæ sub cælo sunt, in locum unum: et appáre-at árida ». Et factum est

i-ta. Et vocávit De-us áridam, Terram: congrega-ti-onésque aquárum

appellávit Mári-a. Et vidit De-us quod esset bonum. Et a-it: « Gérminet

terra herbam viréntem, et faci-éntem semen, et lignum pomí-ferum

fáci-ens fructum juxta genus su-um, cujus semen in seme-típso sit super

terram ». Et factum est i-ta. Et prótu-lit terra herbam viréntem, et faci-

éntem semen juxta genus su-um, lignúmque fáci-ens fructum, et habens

unumquódque seméntem secúndum spéci-em su-am. Et vidit De-us quod

esset bonum. Et factum est vespere, et mane, di-es térti-us. Dixit autem

De-us: « Fi-ant luminári-a in firmaménto cæli, et dívidant di-em, ac noc-

tem, et sint in signa, et témpora, et di-es, et annos: ut lúce-ant in firma-

ménto cæli, et illúminent terram ». Et factum est i-ta. Fecítque De-us

du-o luminári-a magna: lumináre majus, ut præ-ésset di-é-i: et lumináre

minus, ut præ-ésset nocti: et stellas. Et pósu-it e-as in firmaménto cæli,

ut lucérent super terram, et præ-éssent di-é-i ac nocti, et divíderent lu-

cem, ac ténebras. Et vidit De-us quod esset bonum. Et factum est véspe-

re, et mane, di-es quartus. Dixit é-ti-am De-us: « Prodúcant aquæ répti-le

ánimæ vivéntis, et volá-ti-le super terram sub firmaménto cæ-li ». Cre-a-

vítque De-us cete grándi-a, et omnem ánimam vivéntem atque motábi-

lem, quam prodúxerant aquæ in spéci-es su-as, et omne volá-ti-le secún-

dum genus su-um. Et vidit De-us quod esset bonum. Benedixítque e-is,

dicens: « Crésci-te, et multiplicámini, et repléte aquas maris: avésque

multiplicéntur super terram ». Et factum est véspere, et mane, di-es quin-

tus. Dixit quoque De-us: « Prodúcat terra ánimam vivéntem in genere

su-o: juménta et reptí-li-a, et bésti-as terræ secúndum spéci-es su-as ».

Factúmque est i-ta. Et fecit De-us bésti-as terræ juxta spéci-es su-as, et

juménta, et omne répti-le terræ in génere su-o. Et vidit De-us quod

esset bonum, et a-it: « Faci-ámus hóminem ad imáginem, et simi-litúdi-

nem nostram: et præsit píscibus maris, et vola-tí-libus cæli, et bésti-is,

universæque terræ, omníque répti-li, quod movétur in terra ». Et cre-ávit

De-us hóminem ad imáginem su-am: ad imáginem De-i cre-ávit illum, más-

culum et féminam cre-ávit e-os. Benedixítque illis De-us, et a-it: « Crésci-

te, et multiplicámini, et repléte terram, et subjí-ci-te e-am, et dominámini

píscibus maris, et vola-tí-libus cæli, et univérsis animántibus, quæ mo-

véntur super terram ». Dixítque De-us: « Ecce, dedi vobis omnem herbam

afferentem semen super terram, et universa ligna, quæ habent in seme-
 típsis sementem generis su-i, ut sint vobis in escam: et cunctis animán-
 tibus terræ, omnique volucris cæli, et universis, quæ moventur in terra,
 et in quibus est ánima vivens, ut hábe-ant ad vescendum ». Et factum est
 i-ta. Vidítque De-us cuncta, quæ fécerat: et erant valde bona. Et factum
 est vespere, et mane, di-es sextus. Igitur perfecti sunt cæli, et terra, et
 omnis ornátus e-ó-rum. Complevitque De-us di-e séptimo opus su-um,
 quod fécerat: et requi-évit di-e séptimo ab universo ópere quod patrá-rat.
