

# Lesson IV for the Easter Vigil

## Tonus Prophétiae

**I** -n di-ébus illis: Scripsit Mó-yses cánticum, et dócu-it fí-li-os Isra-ël.

Præcepítque Dóminus Jósu-e fí-li-o Nun, et a-it: « Confortáre, et esto robús-

tus: tu enim introdúces fí-li-os Isra-ël in terram, quam pollí-citus sum, et

ego ero tecum. » Postquam ergo scripsit Mó-yses verba legis hujus in vo-

lúmine, atque complévit: præcépit Leví-tis, qui portábant arcam foéderis

Dómini, dicens: « Tólli-te librum istum, et póni-te e-um in látere arcæ

foéderis Dómini De-i vestri: ut sit ibi contra te in testimóni-um. Ego

enim sci-o contenti-ónem tu-am, et cervícem tu-am duríssimam. Adhuc

vivénte me, et ingredi-énte vobíscum, semper contenti-óse egístis contra

Dóminum: quanto magis cum mórtu-us fú-ero? Congregáte ad me omnes

majóres natu per tribus vestras, atque doctóres, et loquar audi-éntibus

e-is sermónes istos, et invocábo contra e-os cælum, et terram. Novi

enim quod post mortem me-am iníque agé-tis, et declinábi-tis cito de

vi-a, quam præcépi vobis: et occúrent vobis ma-la in extrémó tém-pore,

quando fecéri-tis malum in conspéctu Dómini, ut irri-té-tis e-um per

ópera mánu-um vestrá-rum ». Locútus est ergo Mó-yses, audi-énte uni-

vérsó cœtu Isra-ël, verba cárminis hujus, et ad finem usque complé-vit.
