UI timet De-um, fáci-et bona: et qui cóntinens est justí-ti-æ, ap-

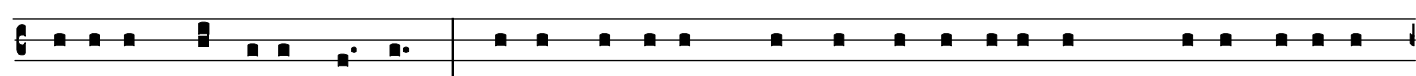

prehéndet illum, et obvi-ábit illi quasi mater honori-ficá-ta. Cibábit illum

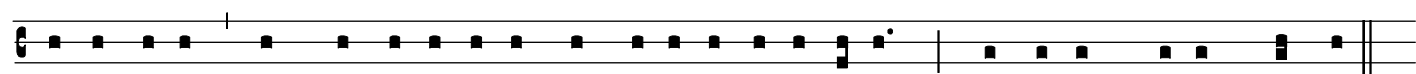

pane vitæ et intelléctus, et aqua sapi-énti-æ salutáris potábit illum: et fir-

mábitur in illo, et non flectétur: et continébit illum, et non confundétur:

et exaltábit illum apud próximos su-os, et in médi-o ecclési-æ apéri-et

os ejus, et adimplébit illum spí-ritu sapi-énti-æ et intelléctus, et stola

glóri-æ vésti-et il-lum. Jucundi-tátem, et exsulta-ti-ónem thesaurizábit

super illum, et nómine æténo heredi-tábit illum, Dóminus De-us noster.
