

# Epistle for the Feast of St. John the Baptist

**L**   
Ecti-o Isa-í-æ Prophétæ.

**A**   
udí-te, ínsulæ, et atténdi-te, pópu-li de longe: Dóminus ab útero  
  
vocávit me, de ventre matris me-æ recordátus est nóminis me- i. Et  
  
pósu-it os me-um quasi gládi-um acútum: in umbra manus su-æ protéxit  
  
me, et pósu-it me sicut sagíttam e-léctam: in pháretra su-a abscóndit  
  
me. Et dixit mihi: Servus me-us es tu, Isra-ël, qui-a in te glori-ábor. Et  
  
nunc di-cit Dóminus, formans me ex útero servum sibi: Ecce, dedi te in  
  
lucem génti-um, ut sis salus me-a usque ad extrémum terræ. Reges  
  
vidébunt, et consúrgent príncipes, et adorábunt propter Dóminum, et

sanctum Isra-ël, qui e-légit te.
