

Epistle for the Feast of St. Raphael the Archangel

Ecti-o libri Tobí-æ.

I 
-n di-ébus illus: Dixit Angelus Rápha-ël ad Tobí-am: Sacraméntum

regis abscondere bonum est: ópera autem De-i reve-láre et confi-téri

honorí-ficum est. Bona est orá-ti-o cum jejúni-o, et e-le-emósyna magis

quam thesáuros auri recóndere: quóni-am e-le-emósyna a morte líberat,

et ipsa est, quæ purgat peccáta, et facit inveníre misericórdi-am et

vi-tam ætérnam. Qui autem fáci-unt peccátum, et iniqui-tátem, hostes

sunt ánimæ su-æ. Mani-fésto ergo vobis veri-tátem, et non abscondam a

vobis occúltum sermónem. Quando orábas cum lácrimis, et sepe-li-ébas

mórtu-os, et dere-linquébas prándi-um tu-um, et mórtu-os abscondébas

per di-em in domo tu-a, et nocte sepe-li-ébas e-os, ego óbtu-li ora-ti-ó-

nem tu-am Dómino. Et qui-a accéptus eras De-o, necesse fu-it ut tentá-

ti-o probáret te. Et nunc mi-sit me Dóminus ut curárem te, et Saram

uxórem fí-li-i tu-i a dæmóni-o liberá-rem. Ego enim sum Rápha-ël

Angelus, unus ex septem, qui astámus ante Dóminum.
