

Prophecy for the Mass of St. Peter Claver

L 
 Ecti-o Isa-í-æ Prophétæ.

H 
 Æc di-cit Dóminus: Dissólve colliga-ti-ónes impi-etá-tis, solve fascí-

 culos depriméntes, dimítte e-os, qui confrácti sunt, líberos, et omne onus

 dirúmpe. Frange esuri-énti panem tu-um, et egénos, vagósque induc in

 domum tu-am: cum víderis nudum, óperi e-um, et carnem tu-am ne des-

 péxeris. Tunc erúmpet quasi mane lumen tu-um, et sáni-tas tu-a cí-ti-us

 ori-étur, et ante-íbit fáci-em tu-am justí-ti-a tu-a, et glóri-a Dómini cólli-

 get te. Tunc invocábis, et Dóminus exáudi-et: clamábis, et dicet: Ecce,

 adsum. Cum effúderis esuri-énti ánimam tu-am, et ánimam afflíctam

repléveris, ori-étur in ténebris lux tu-a, et ténebræ tu-æ erunt sicut

merídi-es.
