First Traditional Baptism at OCLMA/Old St. Mary's

A dual first was held last Sunday, June 7, as Adelaide Rose Shane, daughter of Oakland County Latin Mass Association members Anne & Phil Shane, was baptized according to the Extraordinary Form by Msgr. Ronald Browne at Old St. Mary's Church. This marks the first instance of a Traditional Baptism associated with the OCLMA, and the first held at Old St. Mary's in around 50 years.

OCLMA Welcomes All Sacraments

Since it is not a parish itself, the Oakland County Latin Mass Association partners with parishes to allow for Baptisms, weddings, and funerals to be held according to the Traditional Rite. Please contact Msgr. Browne, Fr. Madey, or an OCLMA volunteer if you would like to make arrangements for one of these ceremonies. The OCLMA has solid relationships with several parishes and chapels which are happy to host us.

OCLMA Again at Orchard Lake on June 21

The Oakland County Latin Mass Association will return to the Orchard Lake Seminary Shrine Chapel for Mass next Sunday, June 21 at 9:00 AM and will remain there each Sunday until further notice. We hope to have word on a permanent location soon.

Duncan Stroik Article on Home Chapels

The July 15, 2018 edition of this column described some of the interesting private chapels that have been set up in homes. Church architect Duncan Stroik recently published an informative article explaining principles that should guide the construction of a home chapel, whether humble or extravagant:

necessitated a change of plans from a Traditional Mass to a private Nuptial Mass in the Ordinary Form, however altar server to the end James managed to ring the Sanctus Bells at his own wedding. We wish them every grace and blessing.

Dominican Rite Publications

Through the hard work of Fr. Augustine Thompson, O.P., a growing collection of publications relating to the traditional Dominican Rite of Mass have found their way back into print, and some new publications have been authored. Two examples:

Dominican Rite Mass: Latin-English is a Dominican Rite equivalent to the ubiquitous Red Missals for the Latin Rite Tridentine Mass.

The *Dominican Altar Boys' Manual* is a republished book from 1945 similar to the Latin Rite *How to Serve Low Mass & Benediction* book.

More information about these books is available at: <https://www.lulu.com/spotlight/athompsonatdsptdotcom>. Note that the web site has a clumsy design requiring you to click on "Show More" to display each additional row of books, of which there are many.

Many books and resources for the Dominican Rite may also be downloaded from Fr. Thompson's Dominican Liturgy blog: <http://dominican-liturgy.blogspot.com/>. Internet-based resources such as this are one of the main reasons that the Traditional Mass, in its various versions, is making such a strong comeback.
