## *Orchard Lake Seminary Closing in 2022*

The Orchard Lake Schools Board of Regents has announced that Ss. Cyril & Methodius Seminary will close at the end of the 2021-22 academic year. The main reason cited is a change in Polish policy that will no longer allow seminarians to switch seminaries during their education. This will largely end the supply of young men from Poland who have an interest in serving their priesthood in the United States. It will also likely reduce the need for priests to be present to teach at Orchard Lake.

Readers of this column may be wondering what, if any, impact this decision will have upon the Oakland County Latin Mass Association's weekly 9:00 AM High Mass at Orchard Lake's Shrine Chapel of St. John Paul II. The Orchard Lake campus, including the Shrine Chapel, will remain open. Indeed, Orchard Lake St. Mary's Prep and its new sister school for young ladies are experiencing increasing attendance, so the campus is busier than ever. For the time being nothing will change, thus the OCLMA Masses will continue as usual at Orchard Lake. The OCLMA board, however, will discuss the possible ramifications of this change with our chaplain, Msgr. Browne, and may have more to say in upcoming months.

## *Next Benedict XVI Institute Webinar for TLM-Curious Priests and Seminarians on August 19*

For the third time in just over a year, San Francisco's Benedict XVI Institute for Sacred Music and Divine Worship will host a webinar for priests and seminarians curious about learning the Traditional Latin Mass, on Thursday, August 19 at 8:30 PM Eastern time. Co-hosting will be Benedict XVI Institute Executive Director Maggie Gallagher and this writer. Special guest Fr. Derik Peterman of the Archdiocese of Detroit will discuss his experience as a young priest learning and celebrating the TLM. The presentation should last 30-45 minutes. The previous webinars have been fruitful in answering questions and concerns that might have made some clergy hesitant to undertake learning the Extraordinary Form.
