## *Easter Greetings in Latin*

This self-explanatory infographic provides some brief ways to extend Easter greetings to others in the Church's classical language.

## *The Paschal Blessings of Food*

The Traditional Roman Ritual contains a series of blessings of food which are customarily to be done during the Easter season. They include the Blessings of a Lamb, of Eggs, of Bread, of New Produce, and of Any Victual. The English translation of the Blessing of Eggs follows:

℣. Our help is in the name of the Lord.

℟. Who made heaven and earth.

℣. The Lord be with you.

℟. And with thy spirit.

Let us pray. Let Thy blessing, ✠ Lord, come upon these eggs that they may be salutary food for the faithful who eat them in thanksgiving for the Resurrection of Jesus Christ, our Lord, Who liveth and reigneth with Thee forever and ever.

℟. Amen.

**They are sprinkled with Holy Water.**

A poster has been designed to advertise the July 18 concert of the London Oratory Schola at Old St. Mary's Church. Fun fact: The Schola has recorded a number of CDs, and this advertisement has been designed by the same person who creates the album covers for those CDs.
